

## Exhibitors' Charter 2023

This Charter has been established to guarantee to Watch&Match visitors a quality event, both in its presentation and execution as well as in the expertise, sense of ethics and know-how of its Exhibitors. It aims to strengthen the bond of trust and hospitality between Exhibitors and visitors, coming from both the professional and the general public.

Each Exhibitors acknowledges its agreement to the present Charter by signing the Admission form and Exhibition contract.

<b>Reference Person</b>	The Exhibitor appoint a manager as a reference person during the entire event to ensure smooth and constant communication with the Organizer
<b>Opening Hours</b>	The Exhibitor undertake to respect the opening hours and to ensure a permanent presence on the surface during the whole event
<b>Assembly and Disassembly</b>	The Exhibitor agree to proceed with the assembly and disassembly of his customized installations during the time slots determined by the Organizer. Out of respect for the visitor, the Exhibitors will not dismantle his installations before the end of the event
<b>Intellectual Property</b>	The Exhibitor are required to comply with the intellectual property rights of other Exhibitors as well as those of the Organizer Time to Watches
<b>Co-Exhibitor</b>	The Exhibitor undertake not to share its stand with other entities
<b>Smoking</b>	The Exhibitor respect the ban on smoking, including electronic cigarettes, in the exhibition hall, during assembly and disassembly and during the event itself
<b>Security</b>	While The Organizer is in charge of the overall security of the event venue, including the screening of all entrances and exits, the Exhibitor is responsible for the security of his own space, including the materials and products exhibited
